HEALTH SAFETY ENVIRONMENT

The safety of our workforce is the most important aspect of our business, no exception.

TROJAN ELECTRICAL CONTRACTORS aims to stay at the fore front of the industry and have adopted and developed HSE policies and management practices that sees the quality control of every task. Our Safety systems are in accordance with AS/NZS 4801:2001 and they are instilled into our

employees ensuring that our work is completed with zero harm as our #1 priority.

TROJAN ELECTRICAL CONTRACTORS is committed to ensuring that our operations are conducted with zero harm to all people and the environment and the quality of our products and services are upheld and consistently maintained.

OUR HSE CULTURE

All of our themes have supporting behaviors. The ‘everyone’ behaviors apply to all people regardless of their role. The application of these behaviors will ensure that together we achieve alignment of policy, process and actions, which we regard as key to realizing our target of zero harm.

WE EMPOWER OUR PEOPLE TO:

1. Intervene when they witness any ‘at-risk’ behaviour
2. Lead by example
3. Identify and manage hazards associated with the activities for which they are responsible
4. Courageously and honestly report all accidents and hazards
5. Take the time to do things right; do the job safely or not at all – do not cut corners

THEME	MANAGERS	SUPERVISORS	EVERYONE
Risk Management	> Confront Risk	Promote Risk Awareness	Be mindful
Standards	> Set High standards	Ensure compliance	Follow the rules
Communication	> Communicate Openly	Encourage the team	Speak up
Involvement	> Stay involved	Involve the team	Get Involved
